Dear Parents, Teachers, Administrators, Students, Friends, Family, and Community Members,

Does your child enjoy Movie Nights, classroom enrichment programs, Science Fair, karate, and other fun programs? These programs and much much more are sponsored by YOUR PTA! But in order to bring these programs to your children, we need to raise money. Over the past few years, many people have expressed a dislike for our Fall Fundraiser. The timing has made it difficult for many, as it coincides with our students return to school and tax time. The current fiscal climate has made it difficult for families to fulfill their responsibilities as well as supporting the PTA by purchasing items, or asking friends, family, and co-workers to purchase them.

This year, the PTA has decided to ask that donations be made instead. If successful, then this will eliminate the need for at least the Fall Fundraiser. We are asking parents to give no more than they can afford. We hope to receive \$10 per enrolled child, but this is only a suggestion. Please feel free to give more, or less. We are grateful for whatever families can afford to give. Please support your PTA so that we can continue to provide quality programs for your children.

Please place your contributions in an envelope with the form below addressed to the BKW PTA and send it into school, or drop it off in the PTA mailbox in the Elementary School.

Thank you,

The Berne-Knox-Westerlo PTA

YOU DO NOT HAVE TO BE A MEMBER TO CONTRIBUTE
